Brand New Book. Alfred's Kid's Drum Course is a fun method that teaches you to play rhythms and songs on a variety of drums and sound sources, including many simple, inexpensive objects found around your home. With an accompanying CD that always lets you hear how the music should sound, each lesson is explained in plain language that's easy to understand. Plus, you get to learn from three irresistible drum experts -- a clever, classical dog, one cool cat, and a friendly alligator. They keep your attention focused by pointing out what's important on each page and help you learn by making music fun! Parents can be effective guides to help you through this course, even if they've never had any musical training themselves. Plus, you can play along with the great-sounding accompaniments on the enclosed CD and feel like you're performing with a real band! Get ready to take your first, best step toward a lifetime of musical enjoyment.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.
